## DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

The 100cm 2 drawer wall mounted unit has plenty of storage space, and the finer detail of soft closing drawers prevents slamming. Opt for the matte anthracite finish to add more depth to your design, and pair it with either a UNI countertop or UNI 100cm slim profile basin.

*Basin to be purchased separately
Compatible basins: UN100B, UN100B.0TH
