DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

The 120cm 2 drawer wall mounted unit has plenty of storage space, and the finer detail of soft closing drawers prevents slamming. Opt for the matte anthracite finish to add more depth to your design, and pair it with either a UNI countertop or UNI 120cm slim profile basin with 2 bowls.

*Basin to be purchased separately
Compatible basins: UN120B, UN120B.0TH
