DESCRIPTION

The TOOGA brassware collection features products that will be the focal point of any bathroom with its sharp, sleek lines.

This TOOGA thermostatic 2 way bar valve in matte black will work perfectly if you're after a more traditional look to your bathroom.

This thermostatic bar valve has 2 outlets which allows it to control both a shower head and a shower handset. The left handle changes which component is on, and the right handle controls the water temperature.

Pair it with a shower hose, rigid riser rail and a TOOGA slim or 3 function handset.
