DESCRIPTION

Product Code: CO221.BN

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

This COS 3 way thermostatic shower valve in this stunning brushed nickel finish will instantly add a luxurious touch to your shower and bathroom as a whole.

This portrait thermostatic valve has 3 outlets which allows it to control a shower head, handset and bath filler. The top and bottom handles control the on/off function of the components, whilst the middle handle controls the water temperature.

*WRAS Approved valve
