DESCRIPTION

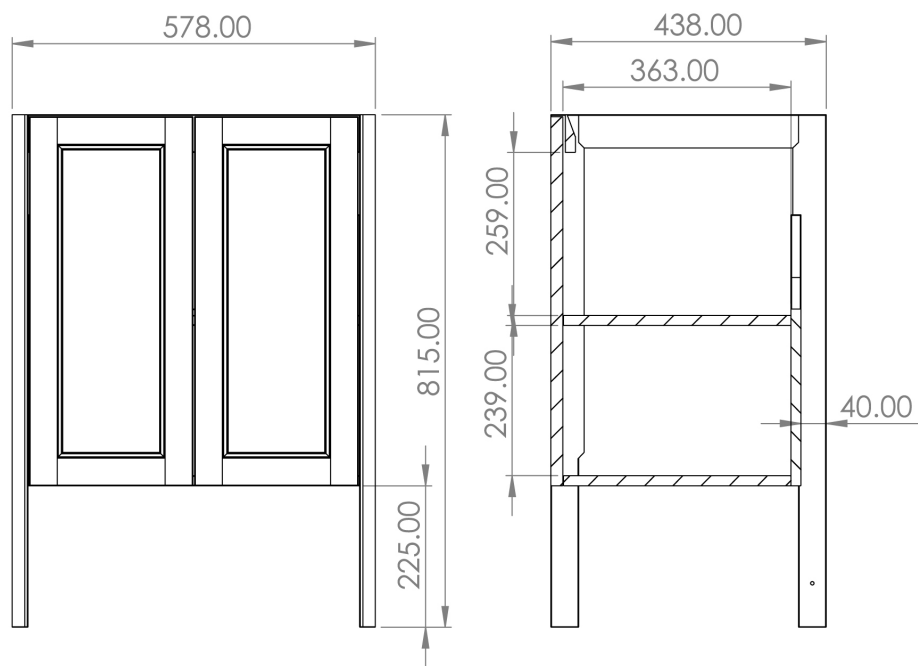

Discovering traditional yet stylish ceramics and furniture can be tough, and this struggle is how the SOFIA collection came to life. We wanted to create traditional sanitaryware that is primarily traditional but has contemporary elements throughout.

The 60cm 2 door floor standing console unit is a unique vanity unit that emulates the "traditional meets contemporary" brief effortlessly through its shaker doors and curved legs. The Prussian blue finish will ultimately transform your bathroom, and the unit itself provides plenty of storage space.

*Basin to be purchased separately
Compatible basins: SOB60.0TH, SOB60, SOB60.3TH
