Seat Type	Soft close

DESCRIPTION

Discovering traditional yet stylish ceramics and furniture can be tough, and this struggle is how the SOFIA collection came to life. We wanted to create traditional sanitaryware that is primarily traditional but has contemporary elements throughout.

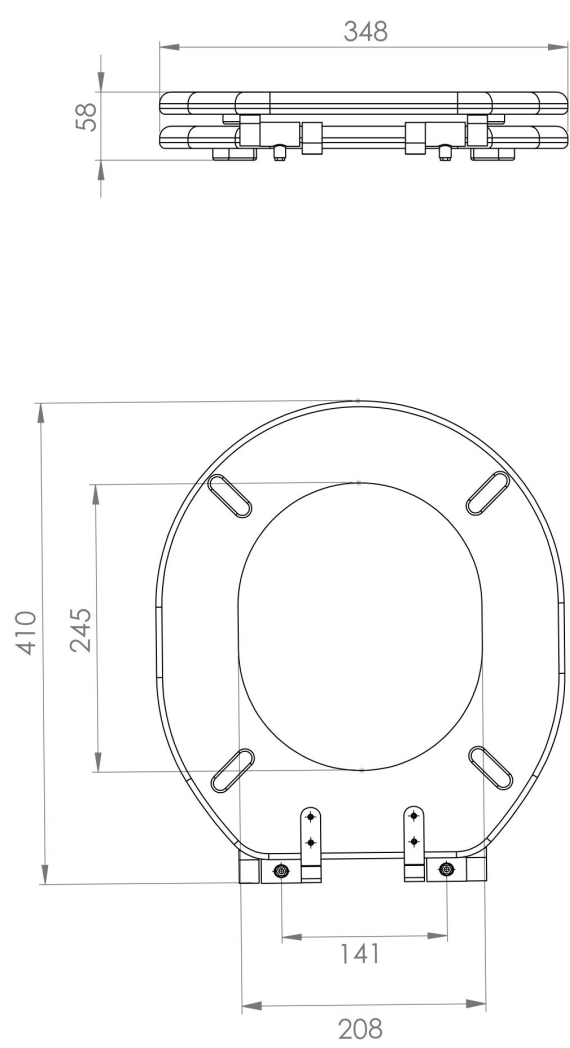

Colour isn't just for our units - we've brought the SOFIA colours across our wood toilet seats too.

If you've opted for the pedestal or washstand, this obsidian black toilet seat will add a touch of modern design to your traditional bathroom.

Despite the heavy wood material this seat is made from, it still has a soft-closing action to ensure the seat closes slowly on its own without slamming.

*Pan sold separately
Compatible pans: SOCC02, SOCC02.L, SOCC02.R
