DESCRIPTION

The OSKA range offers both beauty and practicality. The soft ambient back glow is harmonised together with clean forward facing task lighting to enhance your bathroom experience.

The OSKA 50cm mirror has various integrated features such as a colour changing perimeter LED light, a touch sensor and a demister pad, allowing you to tailor our product to your bathroom whether it is traditional or modern.

Saneux reserves the right to alter the specifications and product range without prior notice. Dimensions are given as a guide only. Dimensions should not be used for surrounding furniture, fixtures and fittings until the product is on site.
