DESCRIPTION

AUSTEN was designed to provide you with the best quality bathroom products that offer a luxury style.

This elegant slim, rimless wall-hung pan is a great option for modern bathrooms both large and small, and has the option of a standard wrap over seat and a slim line seat, both with a soft close and quick release mechanism.

Create a tidy bathroom space and opt for a wall mounted pan; you can hide the framed cistern by having it built into the wall or a WC unit as well as save on floor space.

*Seat sold separately

Standard soft-close seat: AUTS01

Slim soft-close seat: AUTS02

For optimal performance, we recommend pairing wall mounted rimless pans with a high-level concealed cistern set at 6/3lt flushing.

See our FLUSHE 2.0 range for compatible WRAS approved concealed cisterns.
