DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

Countertops offer both form & function. They offer extra internal storage space as well as countertop space to hold soaps & lotions whilst offering a luxurious look.

Go for a countertop and unit combination with this UNI 60cm matte Carrara white solid surface countertop that can be paired with the 60cm drawer units within the UNI and MONUMENT ranges, and finish it off with one of our countertop basins from our SIENNA range.
