DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

The 40cm 1 door wall mounted unit is ideal for small bathrooms with its short projection and essential storage space, and the finer detail of a soft closing reversible door prevents slamming. Opt for the matte anthracite finish to add more depth to your design.

*Basin to be purchased separately
Compatible basins: UN040B, UN040B.0TH
