## DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

The 50cm 2 drawer wall mounted unit is ideal for small bathrooms with its short projection and essential storage space, and the finer detail of soft closing drawers prevents slamming. Opt for the matte anthracite finish to add more depth to your design.

\*Basin to be purchased separately

Compatible basins: UN050B, UN050B.0TH
