DESCRIPTION

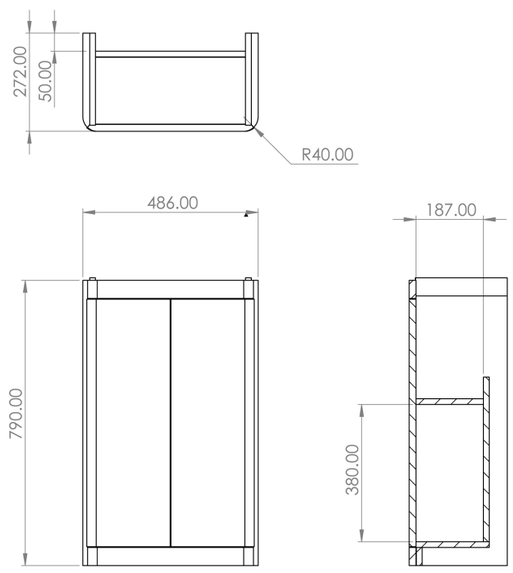

As the name suggests, the HYDE collection features short projection basins and vanity units with a contemporary design, perfect for small and compact bathroom spaces.

This 50cm 2 door floor standing unit is our shortest projection unit at only 28cm, making it perfect for narrow bathrooms & cloakrooms where space is scarce yet storage is essential. It has an integrated shelf, and the matte anthracite finish will add more depth to the space it's fitted in.

*Basin to be purchased separately
Compatible basin: HY050CB.R

**Handles to be purchased separately
For these 50cm door units, please allow 5cm space on either side of the unit for the doors to open comfortably. This includes space for the handle.
