## DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

The 80cm 2 drawer wall mounted unit has plenty of storage space, and the finer detail of soft closing drawers prevents slamming. Opt for the English oak finish to bring a natural element into your bathroom, and pair it with either a UNI countertop or UNI 80cm slim profile basin.

\*Basin to be purchased separately  
Compatible basins: UN080B, UN080B.0TH
