## DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

The 100cm 1 drawer wall mounted unit has plenty of storage space, and the finer detail of a soft closing drawer prevents slamming. Opt for the matte white finish which will suit any bathroom colour scheme, and pair it with either a UNI countertop or UNI 100cm slim profile basin.

\*Basin to be purchased separately  
Compatible basins: UN100B, UN100B.0TH
