DESCRIPTION

Many of our units allow you to choose a handle and we have various style options you can go for.

This Tallinn handle in brushed brass is an unmistakably contemporary style of handle that can suit both sharp and curved furniture.

The 65mm size is best suited on door units.

Saneux reserves the right to alter the specifications and product range without prior notice. Dimensions are given as a guide only. Dimensions should not be used for surrounding furniture, fixtures and fittings until the product is on site.
