## DESCRIPTION

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

This COS 1 way thermostatic shower valve in a classy chrome finish will instantly add a luxurious touch to your shower and bathroom as a whole.

This thermostatic valve has 1 outlet which allows it to control either a shower head, a shower handset, or a bath filler. The top handle turns the component on and off, and the bottom handle controls the water temperature.
