<b>Depth:</b>	205mm
<b>Material</b>	Brass, Stainless Steel
<b>Approvals/Standards</b>	WRAS
<b>Guarantee</b>	5 years
<b>Outlets</b>	2

## DESCRIPTION

The basis for the design of the CROMWELL collection was to emulate a strong, traditional style of brassware that has contemporary elements to fit in with modern day interiors.

This two way thermostatic shower valve with lever handles adds class to any bathroom, and matches the 3 tap hole basin mixer that features the same style handles.

This thermostatic valve has 2 outlets which allows it to control a shower head and handset, a handset and bath filler, or a shower head and bath filler. The top handle controls the on/off function of the two components, whilst the bottom handle controls the water temperature.

\*WRAS Approved valve

## TECHNICAL DRAWING

## FLOW RATE

- 1 Bar - Flowrate: 16 l/min
- 2 Bar - Flowrate: 22.5 l/min
- 3 Bar - Flowrate: 28.5 l/min
