<b>Depth:</b>	205mm
<b>Material</b>	Brass, Stainless Steel
<b>Approvals/Standards</b>	WRAS
<b>Guarantee</b>	5 years
<b>Outlets</b>	Yes

## DESCRIPTION

The basis for the design of the CROMWELL collection was to emulate a strong, traditional style of brassware that has contemporary elements to fit in with modern day interiors.

This one way thermostatic shower valve with lever handles adds class to any bathroom, and matches the 3 tap hole basin mixer that features the same style handles.

This thermostatic valve has 1 outlet which allows it to control either a shower head, a shower handset, or a bath filler. The top handle turns the component on and off, and the bottom handle controls the water temperature.

\*WRAS Approved valve

## TECHNICAL DRAWING

## FLOW RATE

- 1 Bar - Flowrate: 21 l/min
- 2 Bar - Flowrate: 28.5 l/min
- 3 Bar - Flowrate: 35 l/min
