DESCRIPTION

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

This COS 3 way thermostatic shower valve in a classy chrome finish and with knurled handles will instantly add a luxurious and modern touch to your shower and bathroom as a whole.

This landscape thermostatic valve has 3 outlets which allows it to control a shower head, handset and bath filler. The left and right handles control the on/off function of the components, whilst the middle handle controls the water temperature.

*WRAS Approved valve
