DESCRIPTION

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

This COS 2 way thermostatic shower valve with 3 knurled handles in a modern matte black finish will instantly add a luxurious and modern touch to your shower and bathroom as a whole.

This portrait thermostatic valve has 2 outlets which allows it to control a shower head and handset, a handset and bath filler, or a shower head and bath filler with its 3 handles. The top and bottom handles control the on/off function of the two components, whilst the middle handle controls the water temperature.

*WRAS Approved valve
