DESCRIPTION

Beautifully curved and organic, the EDEN brassware is a truly unique brassware range.

The single lever basin mixer has a tall and elegant swan-like neck and this is closely replicated through the lever handle to create an all-encompassing sleek and sophisticated look. It also has a swivel spout so that you can change the direction of where the water hits the basin.

The finish is PVD, meaning it is extremely hardwearing and easy to clean.

Waste to be purchased separately.

- 0.2 Bar - Flowrate: 2.18 l/min
