DESCRIPTION

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

Step into a luxurious and relaxing shower by opting for this COS standard shower head in brushed bronze. It perfectly suits our round ceiling mounted and wall mounted shower arms in the same range, and it has a swivel feature so you can change the direction of spray.

The brushed bronze finish is in fact a PVD coating, which will help to make the brassware look flawless for years to come.
