**Product Code:** CO320.FBN

---

## DESCRIPTION

The COS collection was designed to create brassware that was both modern and classic to suit any style of bathroom.

This thermostatic valve has 2 outlets which allows it to control a shower head and handset, a handset and bath filler, or a shower head and bath filler. The top handle controls the on/off function of the two components, whilst the bottom handle controls the water temperature.

It offers three distinct handle options—Classic, Knurled, and Fluted—each available in five stunning finishes: Chrome, Brushed Brass, Brushed Bronze, Brushed Nickel, and Satin Black.

The colored finishes utilize a PVD coating, ensuring superior quality and long-lasting durability.

\*WRAS Approved valve
