DESCRIPTION

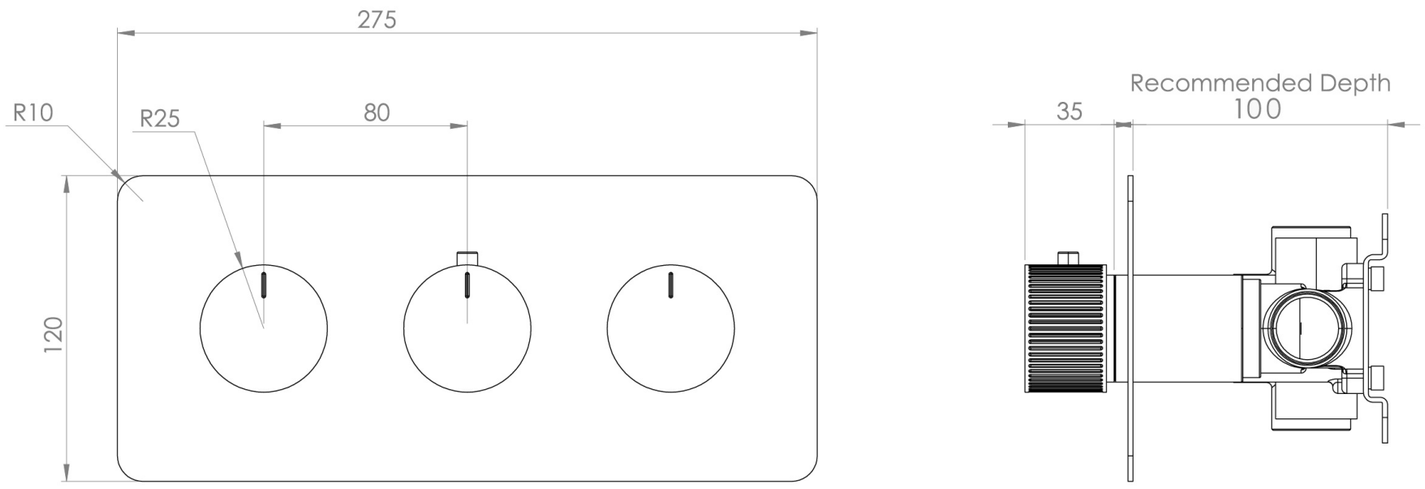

The COS collection combines modern and classic styles for versatile bathroom brassware.

This landscape thermostatic valve features 3 outlets to control a shower head, handset, and bath filler. The left and right handles manage the on/off functions, while the middle handle adjusts the temperature.

Available with three handle styles—Classic, Knurled, and Fluted—and in five finishes: Chrome, Brushed Brass, Brushed Bronze, Brushed Nickel, and Satin Black. The PVD-coated finishes ensure durability.

WRAS Approved Valve
