DESCRIPTION

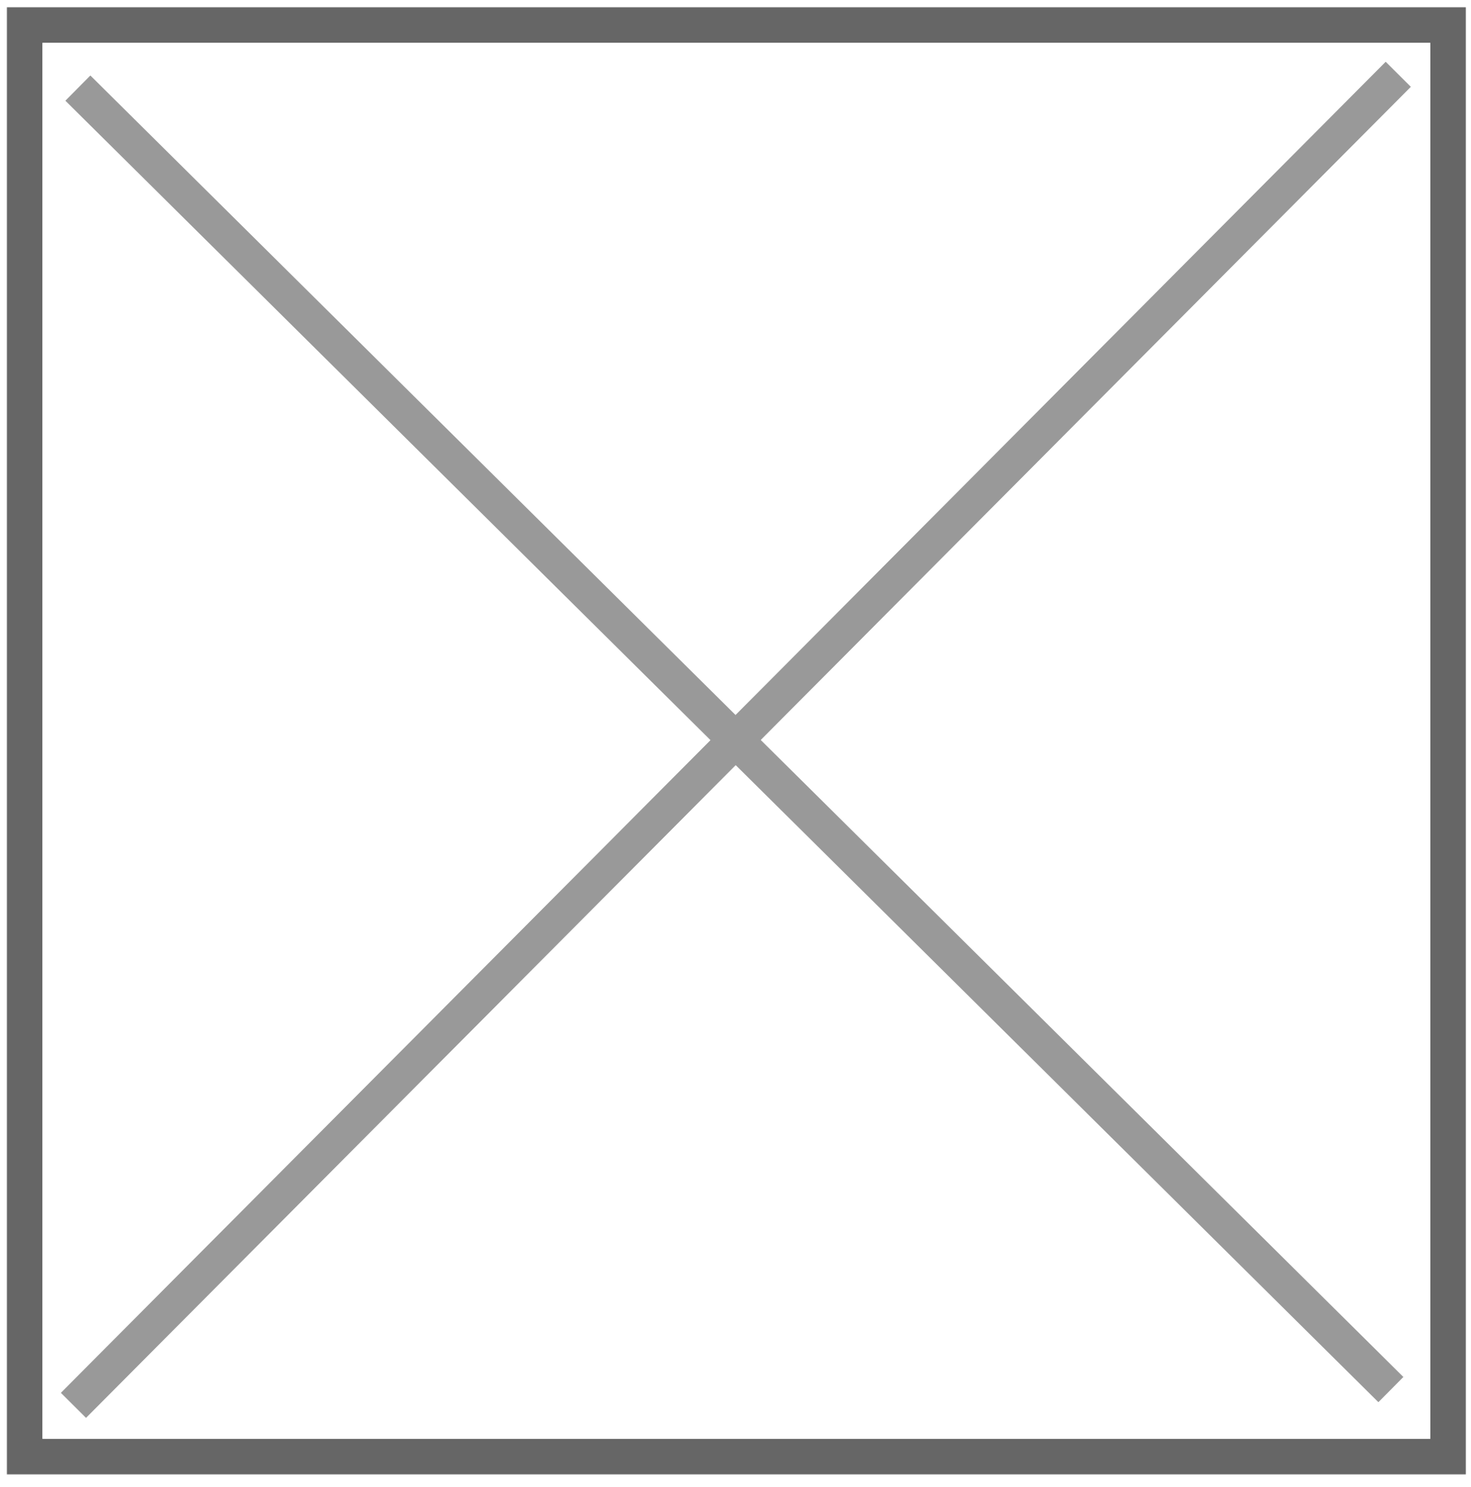

The LOLA freestanding bath is characterised by its bold design with soft edges and minimalistic form.

The soft curved design will fit beautifully into any modern bathroom and will provide comfort for those long, relaxing soaks after a long day. With it being made of acrylic, it will also hold the heat well.

It has a minimalist overflow and comes with its own bath waste in chrome.

Pair it with a floor standing bath shower mixer, or a wall mounted bath spout & concealed thermostatic shower valve.
