## DESCRIPTION

The COS 2-Way Thermostatic Ring Valve adds a touch of luxury to any shower or bathroom with its sleek, minimalist design. It features two outlets, allowing you to control a shower head and handset, a handset and bath filler, or a shower head and bath filler. The top handle manages the on/off function, while the bottom handle adjusts the temperature.

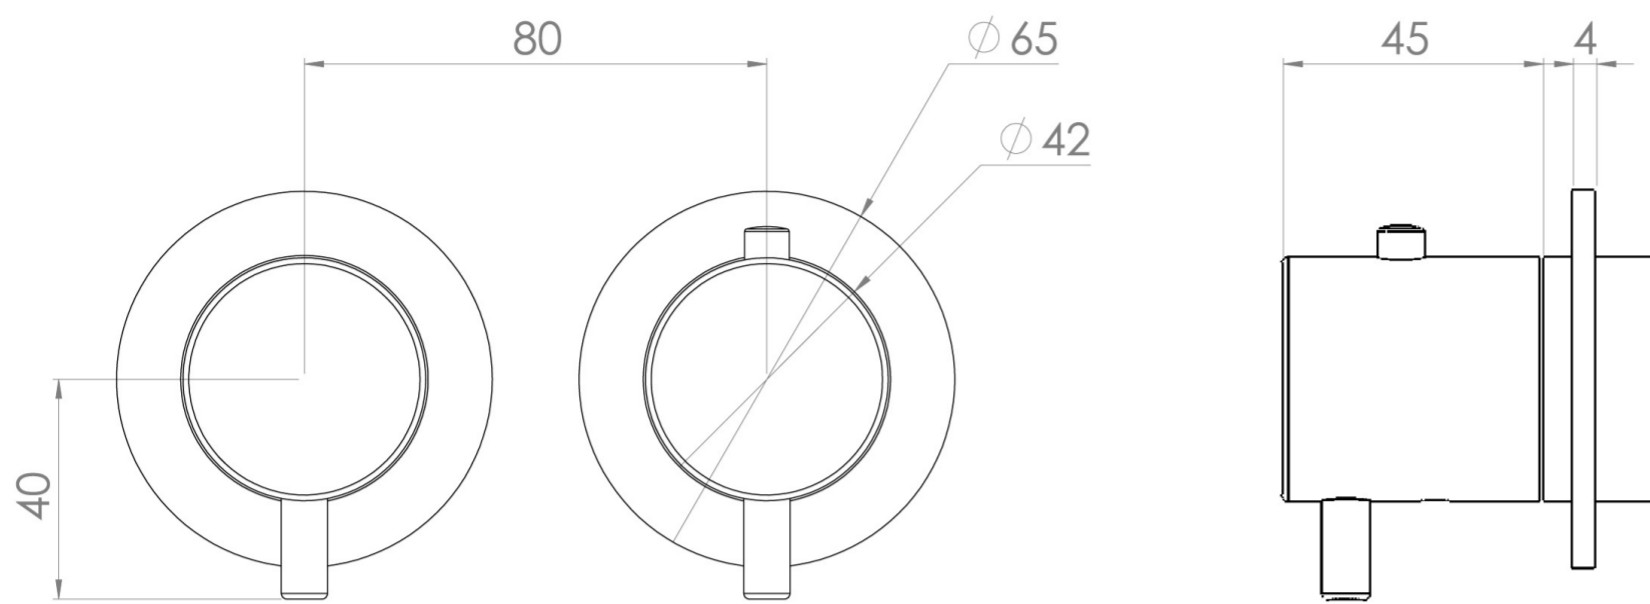

It can be installed portrait or landscape and offers three handle options—Classic, Knurled, and Fluted—in five finishes: Chrome, Brushed Brass, Brushed Bronze, Brushed Nickel, and Satin Black. The PVD-coated finishes ensure durability and high quality.

WRAS Approved Valve
