## DESCRIPTION

The COS 3-Way Thermostatic Ring Valve combines luxury with minimalist design.

It features 3 outlets for controlling a shower head, handset, and bath filler. The left and right handles manage on/off functions, while the middle handle adjusts temperature.

Install it portrait or landscape and choose from three handle styles—Classic, Knurled, and Fluted—in five finishes: Chrome, Brushed Brass, Brushed Bronze, Brushed Nickel, and Satin Black. PVD coating ensures durability.

WRAS Approved Valve
