## DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

This UNI 120cm 6 tap hole washbasin with 2 bowls is a great size for spacious bathrooms and its slim profile allows it to blend seamlessly when paired with a vanity unit from the same collection. Plus, the 2 bowls allows couples to have their own space in their bathroom.

It can be wall-hung on it's own or paired with one of our UNI 120cm wall mounted units.
