## DESCRIPTION

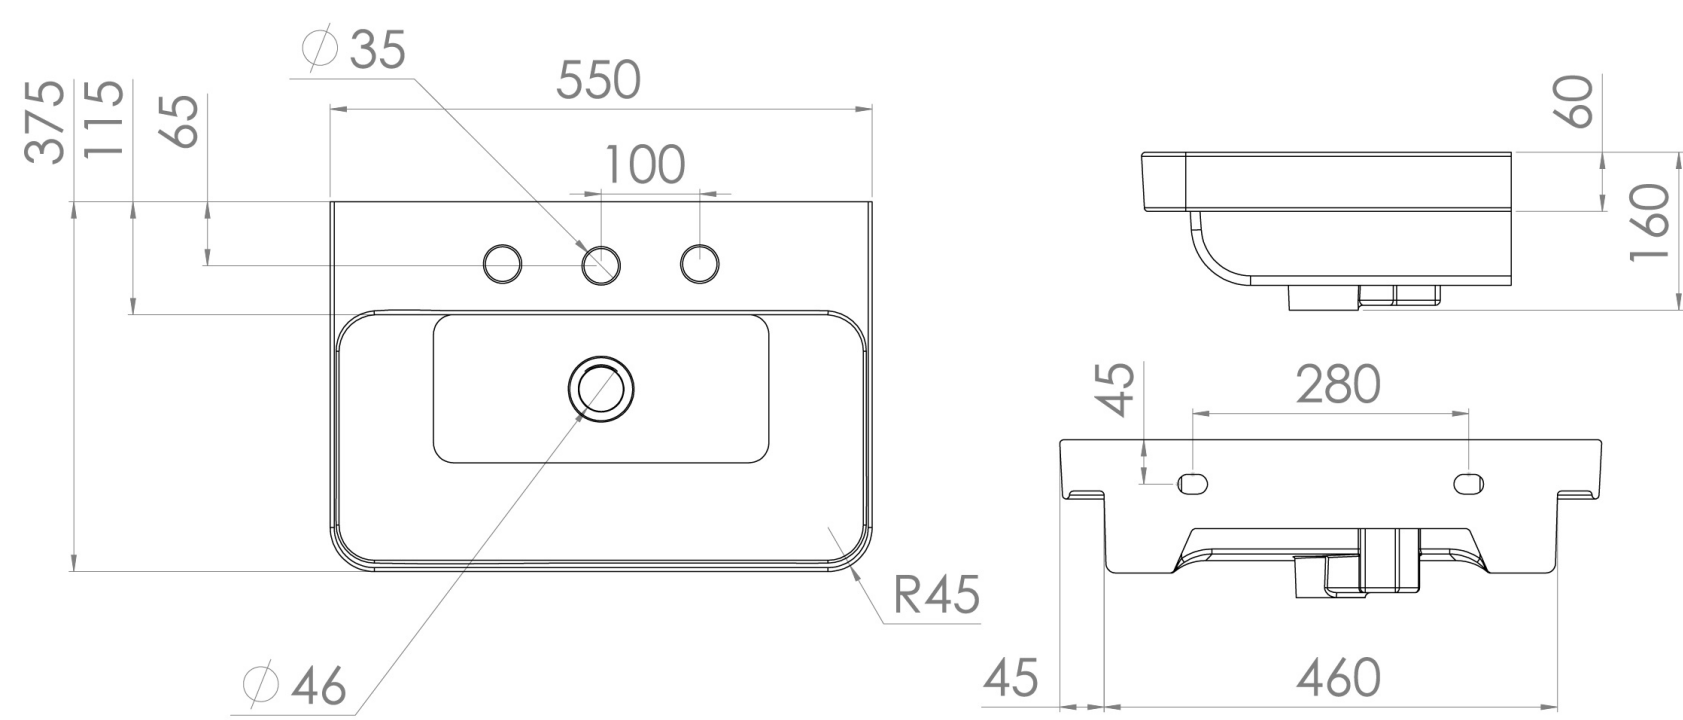

As the name suggests, the HYDE collection features short projection basins and vanity units with a contemporary design, perfect for small and compact spaces.

This HYDE 55x37cm 3 tap hole washbasin has slim edges with a deep bowl, cleverly utilising every inch of ceramic available. Its curved edges give a soft feel to the basin, and its projection of 37cm allows it to fit in narrow bathrooms.

Pairs with the HYDE 55cm 1 & 2 drawer wall mounted units and 2 door floor standing units.
