| <b>Other Features</b> | Pair with a 3 tap hole basin      |

### DESCRIPTION

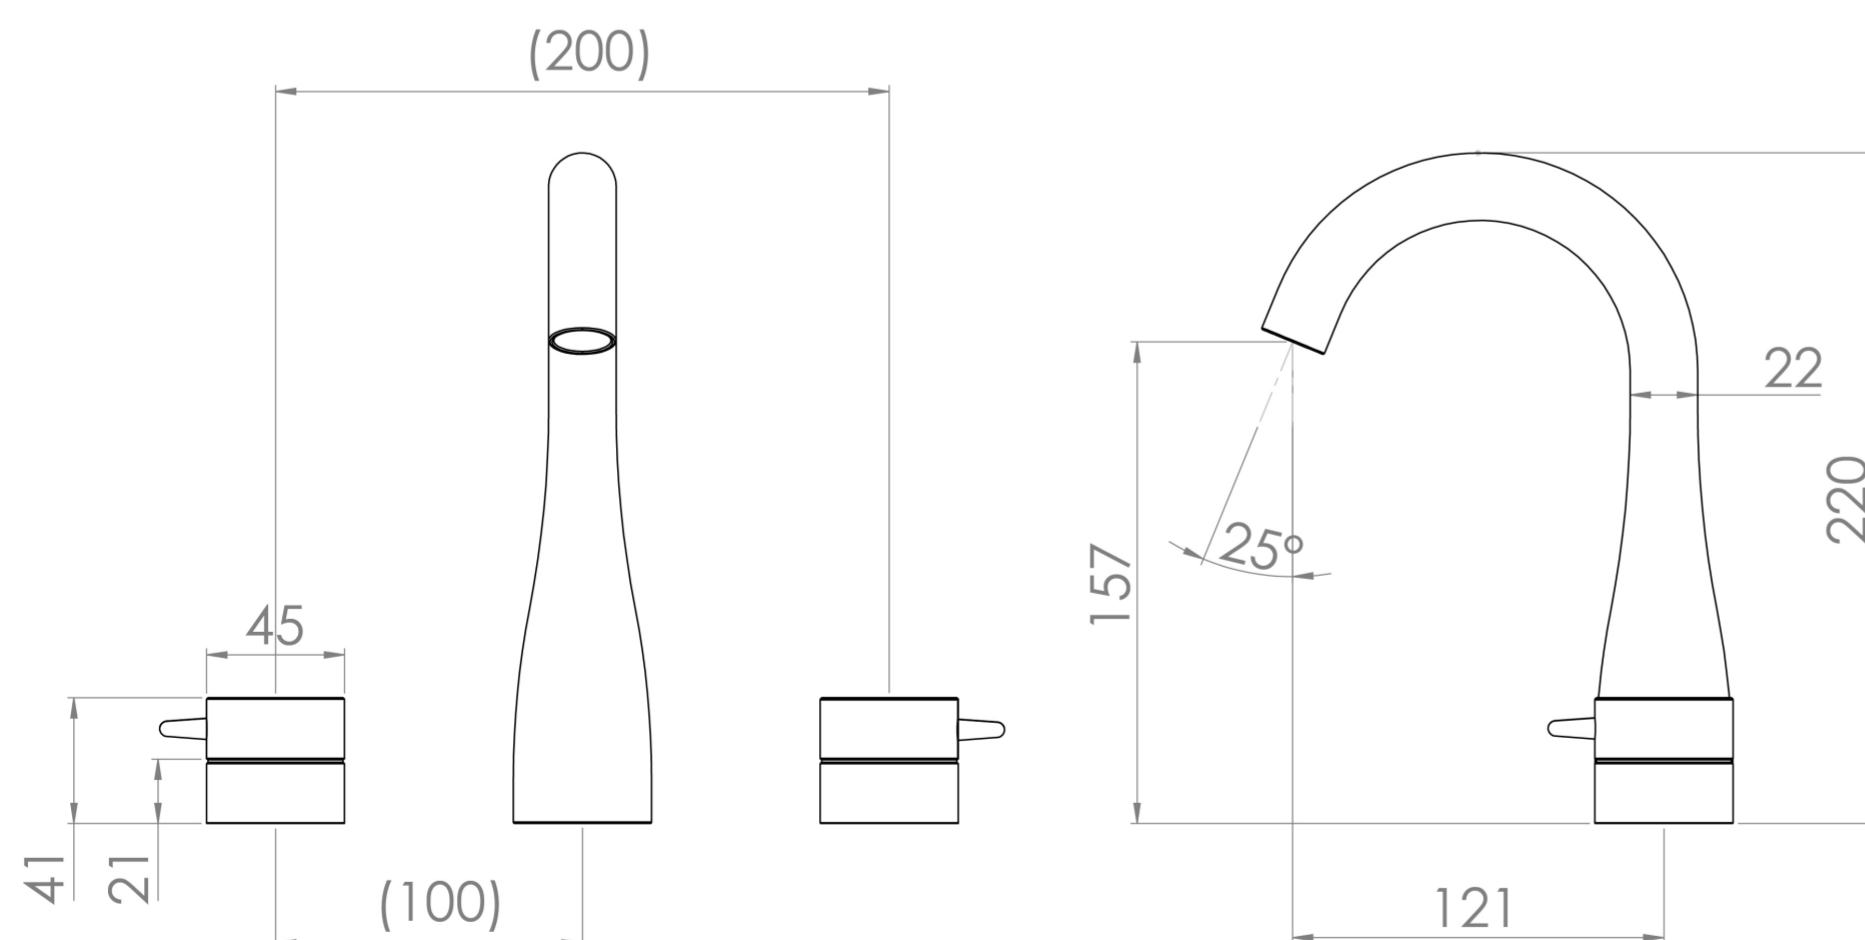

Beautifully curved and organic, the EDEN brassware is a truly unique brassware range.

The 3 piece deck mounted basin mixer mimics the swan-line neck in the spout, and replicated to the small handle levers to create an all-encompassing sleek and sophisticated look.

Pair with a 3 tap hole basin for a seamless design. The finish is PVD, meaning it is extremely hardwearing and easy to clean.

Waste to be purchased separately.
