## DESCRIPTION

The EMBER 500x1000mm pre-filled towel rail & heating element in brushed brass is certainly a stand out piece to have featured in your bathroom.

It has 14 bars so you can display a couple of towels to keep them warm, and it has a clean, minimalist design so that it can work in modern interiors. It also comes with an integrated heating element.

It has a PVD finish, a durable finish that will continuously look flawless for years to come.
