## DESCRIPTION

The AUSTEN close coupled pan may have a classic exterior design, but it now features the modern rimless flush design which has become a popular choice among many homeowners as it makes cleaning easy.

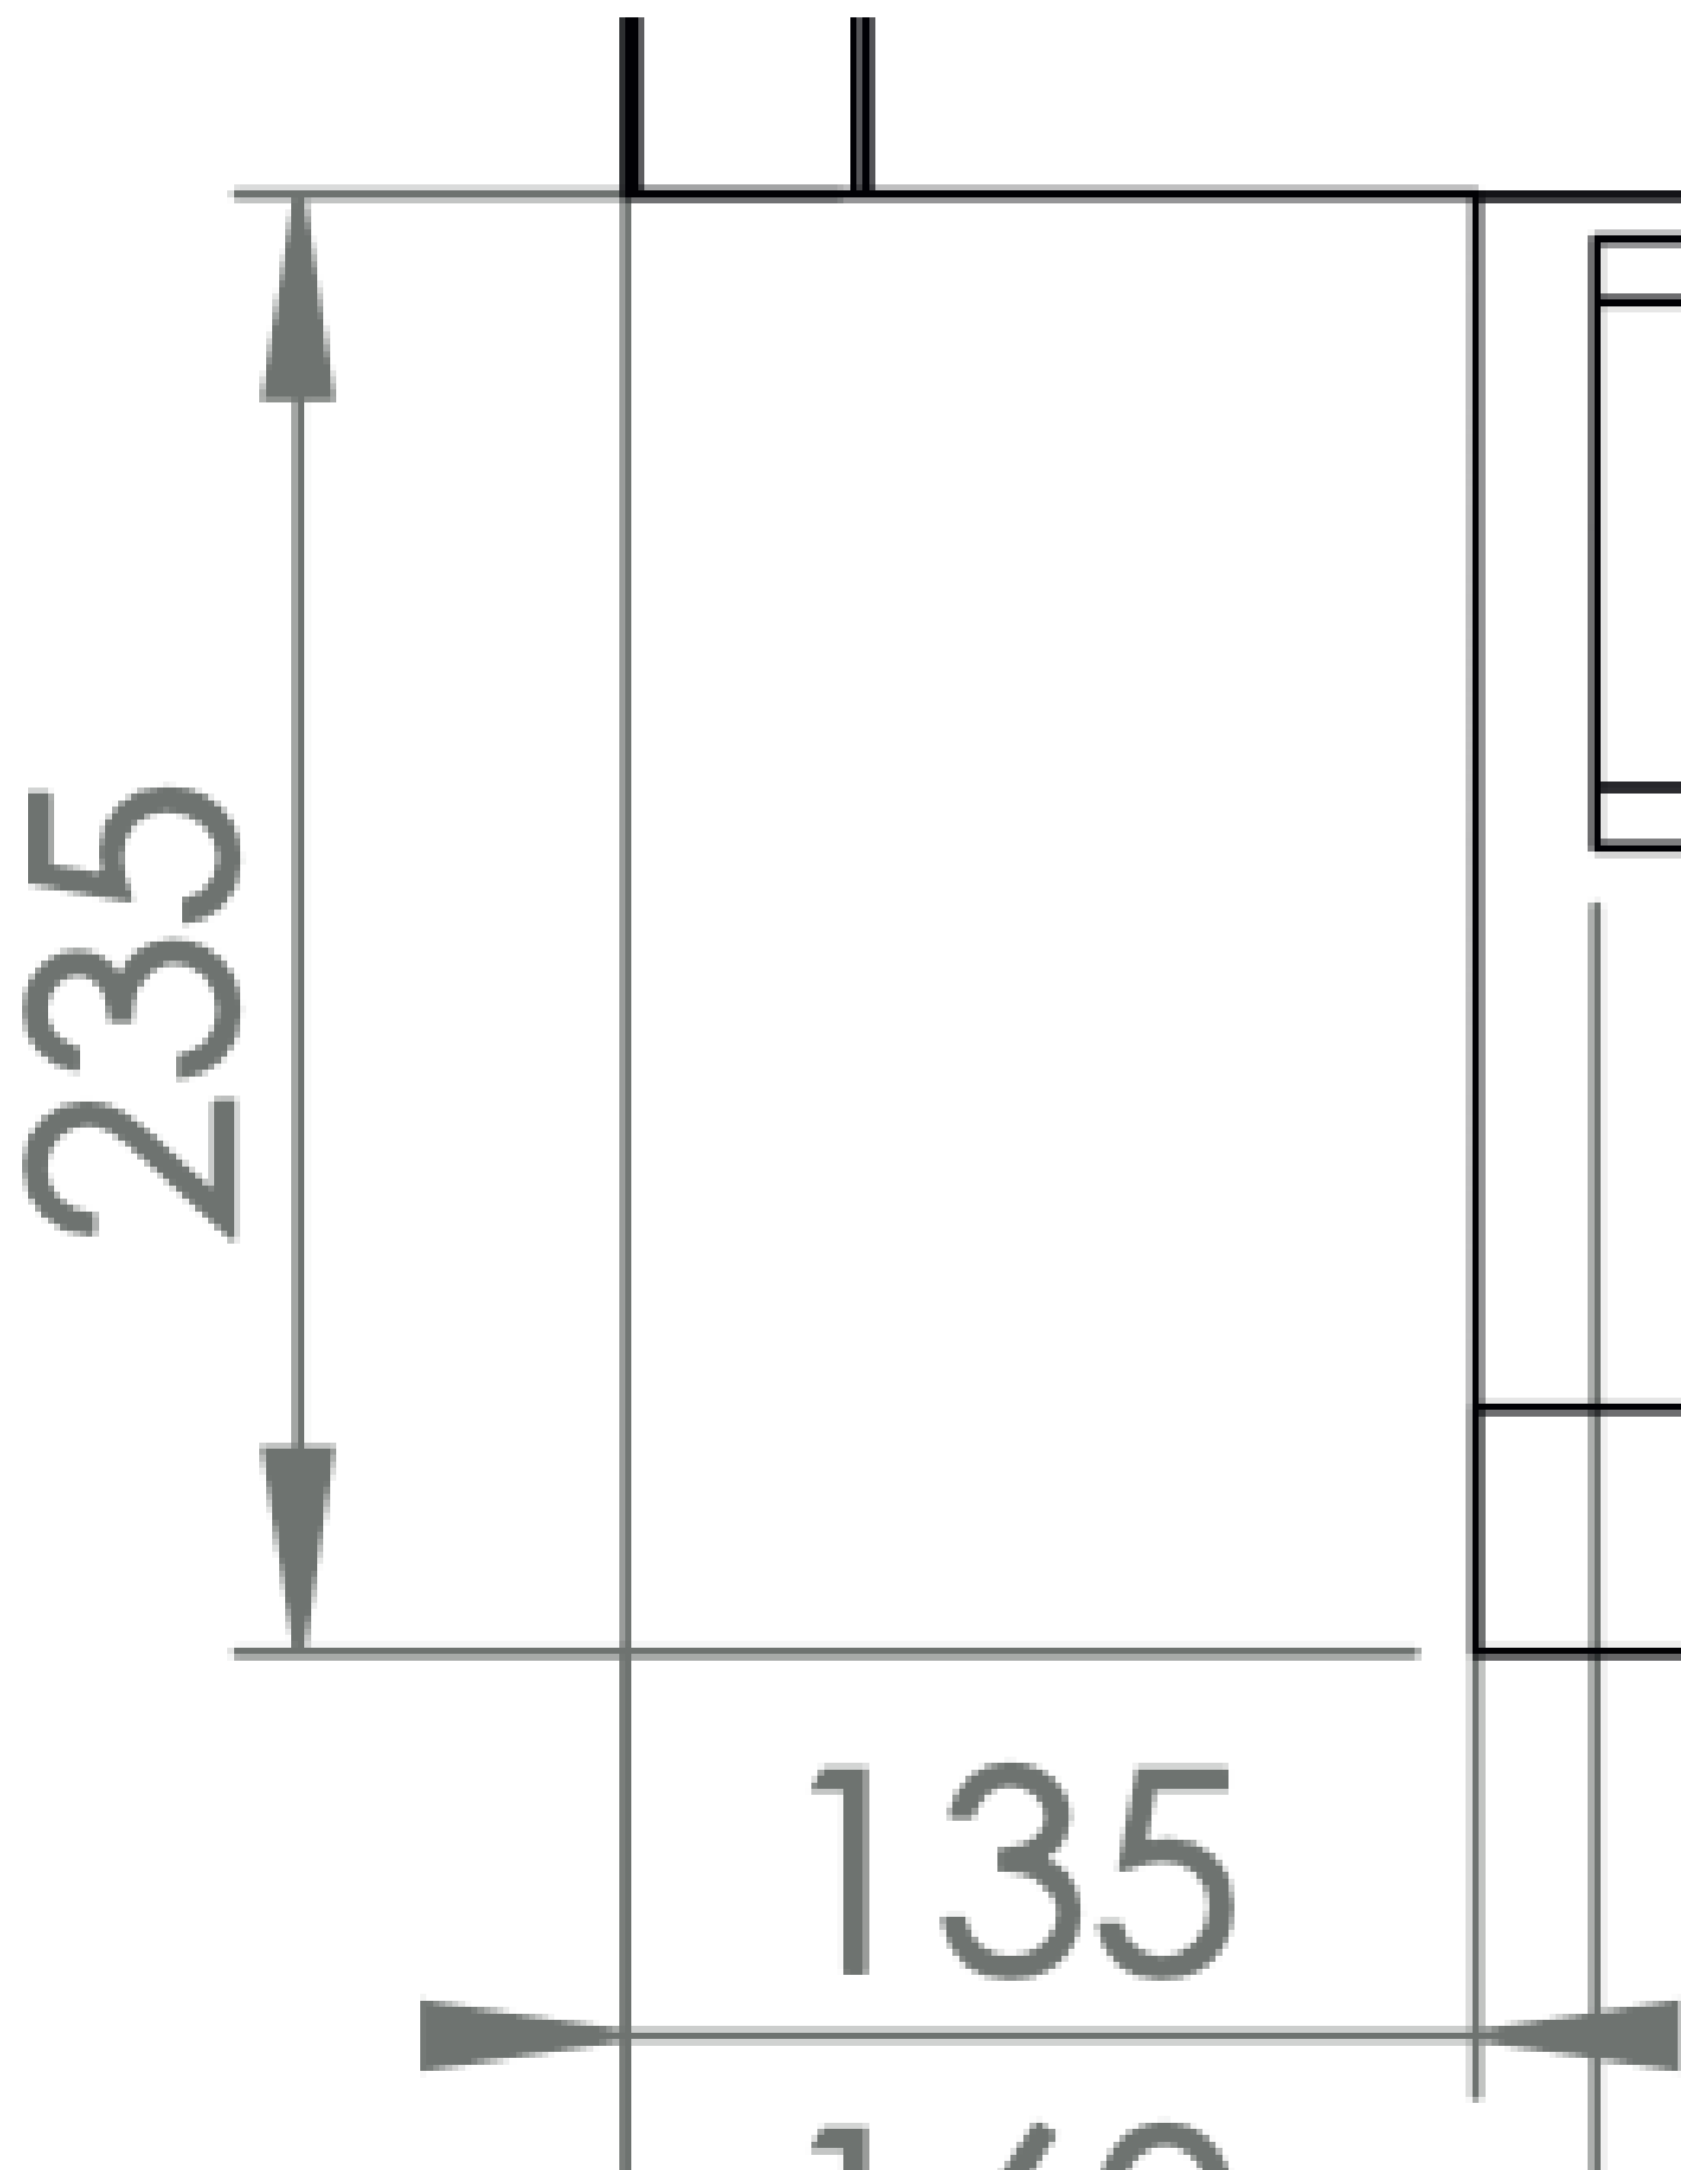

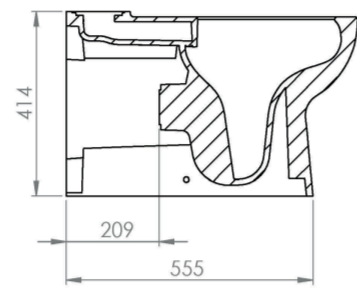

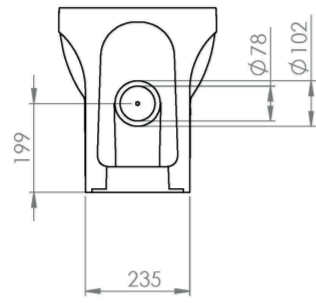

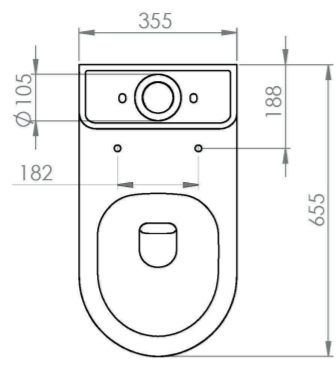

What's great about the AUSTEN close coupled pan is that if you can still have the fully back to wall look even when the soil exit pipe needs to exit to the right hand side.

The complete set up with the cistern and the soft closing seat would be the perfect toilet to have in a family bathroom.

\*Cistern & seat sold separately

Compatible cistern: INDCI01

Compatible seats: AUTS01, AUTS02
