Door Type	Soft close
Door Opening	Right hand

DESCRIPTION

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less units to help you to create a contemporary bathroom.

If you're needing more space for your toiletries, opt for this tall side unit - it has plenty of room with the addition of 1 fixed shelf and 4 adjustable shelves, and will complement the other UNI vanity units available in the modern matte white finish too.
