DESCRIPTION

AUSTEN was designed to provide you with the best quality bathroom products that offer a luxury style.

This rimless AUSTEN wall-hung pan will transform your AUSTEN styled bathroom by making the overall become modern and contemporary, and even more so if paired with our AUSTEN WC units.

The short projection of the pan at only 49cm makes it unique as it can fit in even the smallest of spaces and makes it particularly attractive for cloakrooms and ensembles.

Create a tidy bathroom space and opt for a wall mounted pan; you can hide the framed cistern by having it built into the wall or a WC unit as well as save on floor space.

*Seat sold separately

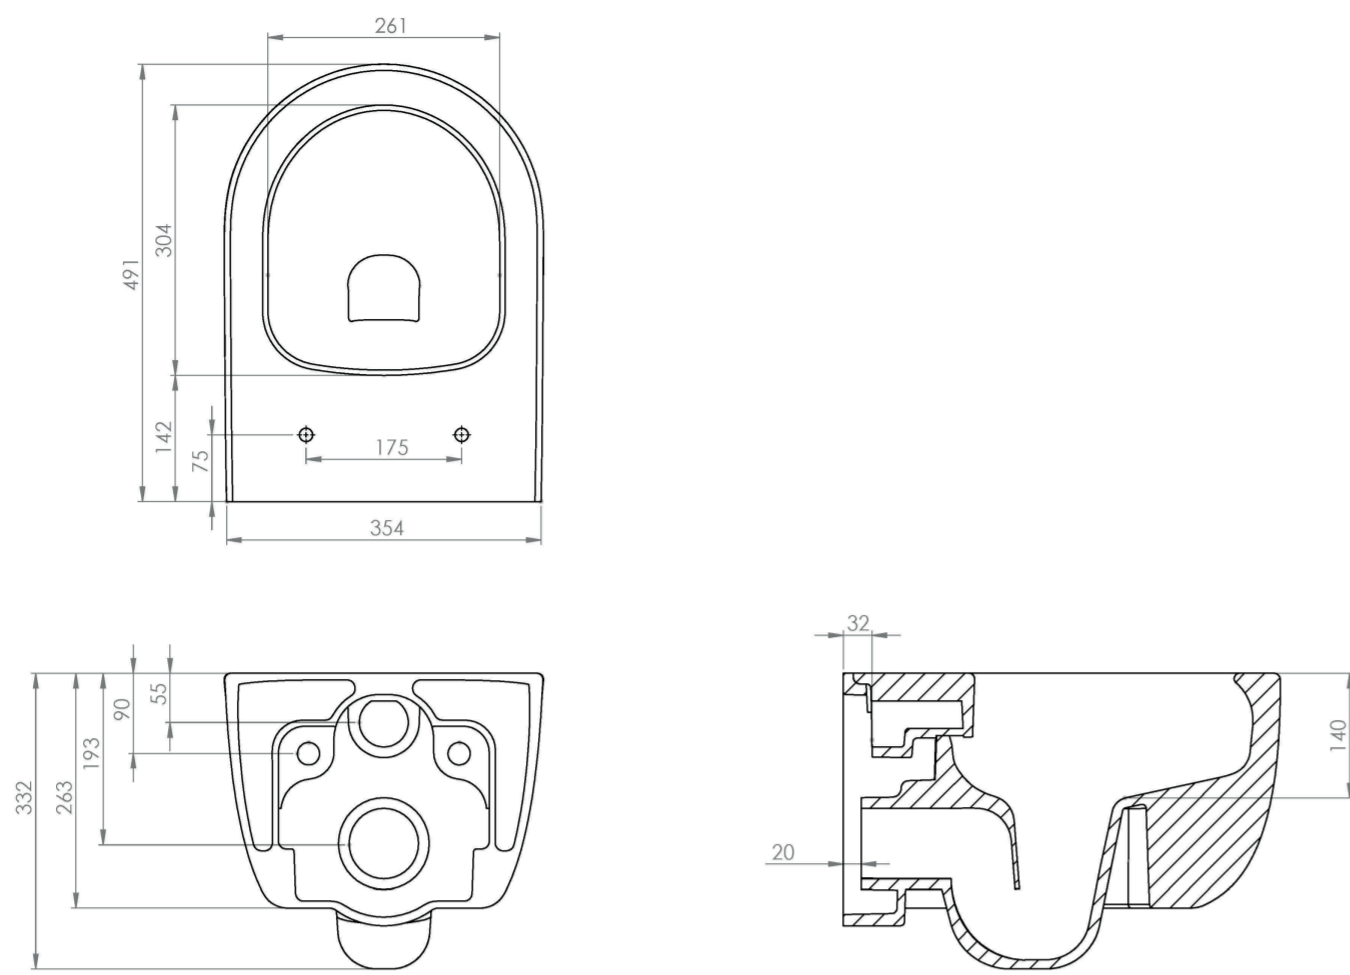

Standard soft-close seat - AUTS01

Slim soft-close seat - AUTS02

For optimal performance, we recommend pairing wall mounted rimless pans with a high-level concealed cistern set at 6/3lt flushing.

See our FLUSHE 2.0 range for compatible WRAS approved concealed cisterns.
