DESCRIPTION

Inspired by the understated tones of the trench coat, Matte Trench brings a distinctly London character to the HYDE Short Projection collection. Its warm, muted finish has been drawn from Hyde Park's autumn palette and reimagined for the contemporary bathroom.

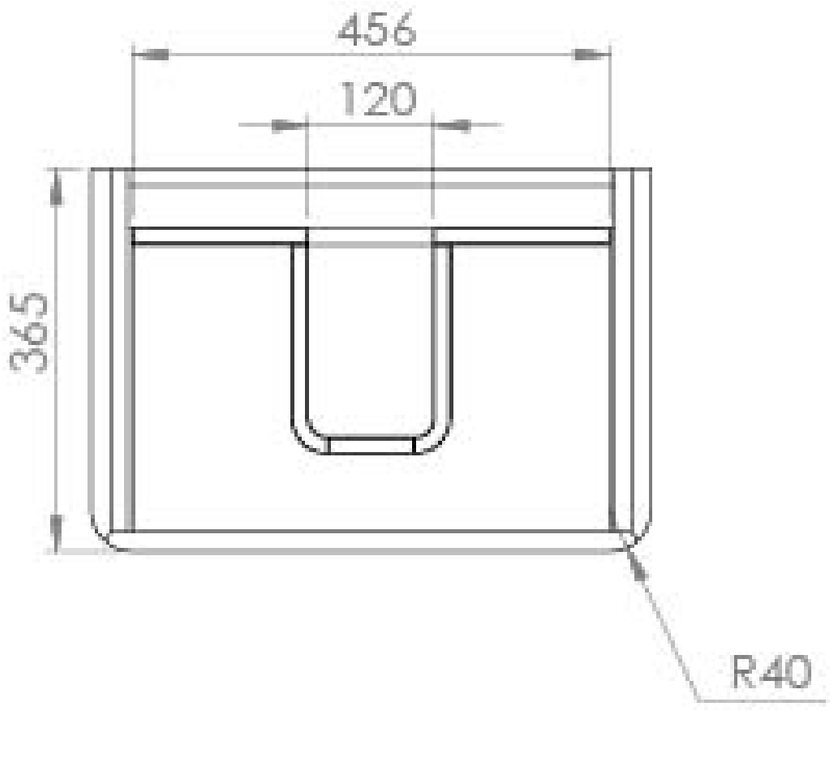

Short on projection, not on presence. At just 37cm deep, this 55cm wall-mounted unit is designed to make smaller bathrooms and cloakrooms feel less compromised, while still giving you generous everyday storage.

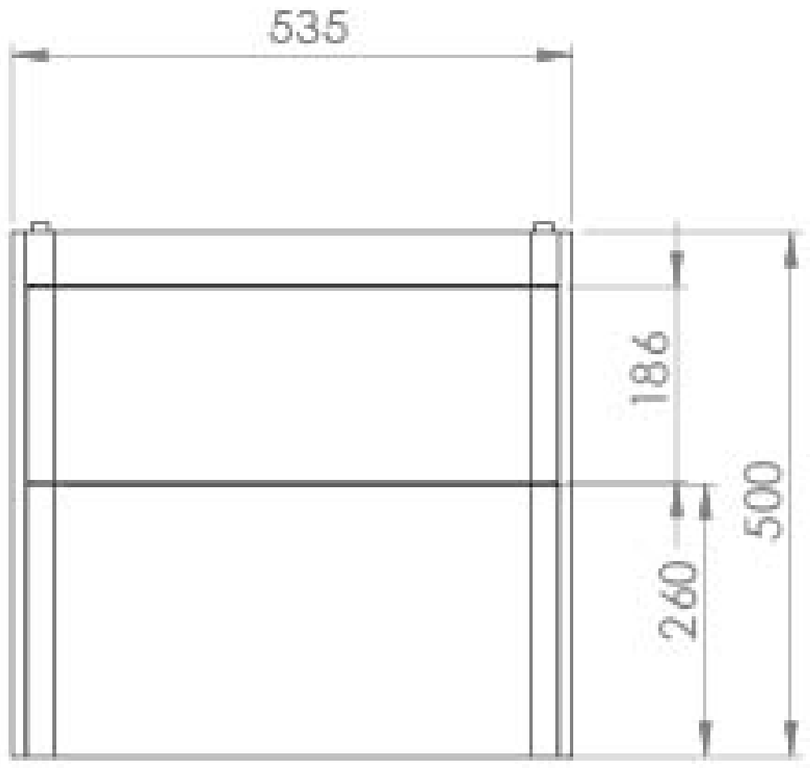

Two deep, soft-closing drawers keep toiletries neatly out of sight, while the wall-mounted design helps create a lighter, more spacious feel.

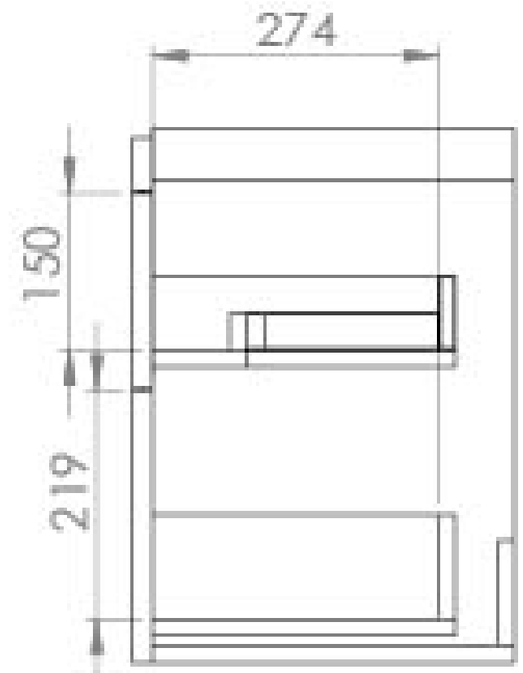

Basin to be purchased separately
Compatible basin: HY055B, HY055B.0TH

Handles to be purchased separately
