DESCRIPTION

Inspired by the understated tones of the trench coat, Matte Trench brings a distinctly London character to the HYDE Short Projection collection. Its warm, muted finish has been drawn from Hyde Park's autumn palette and reimagined for the contemporary bathroom.

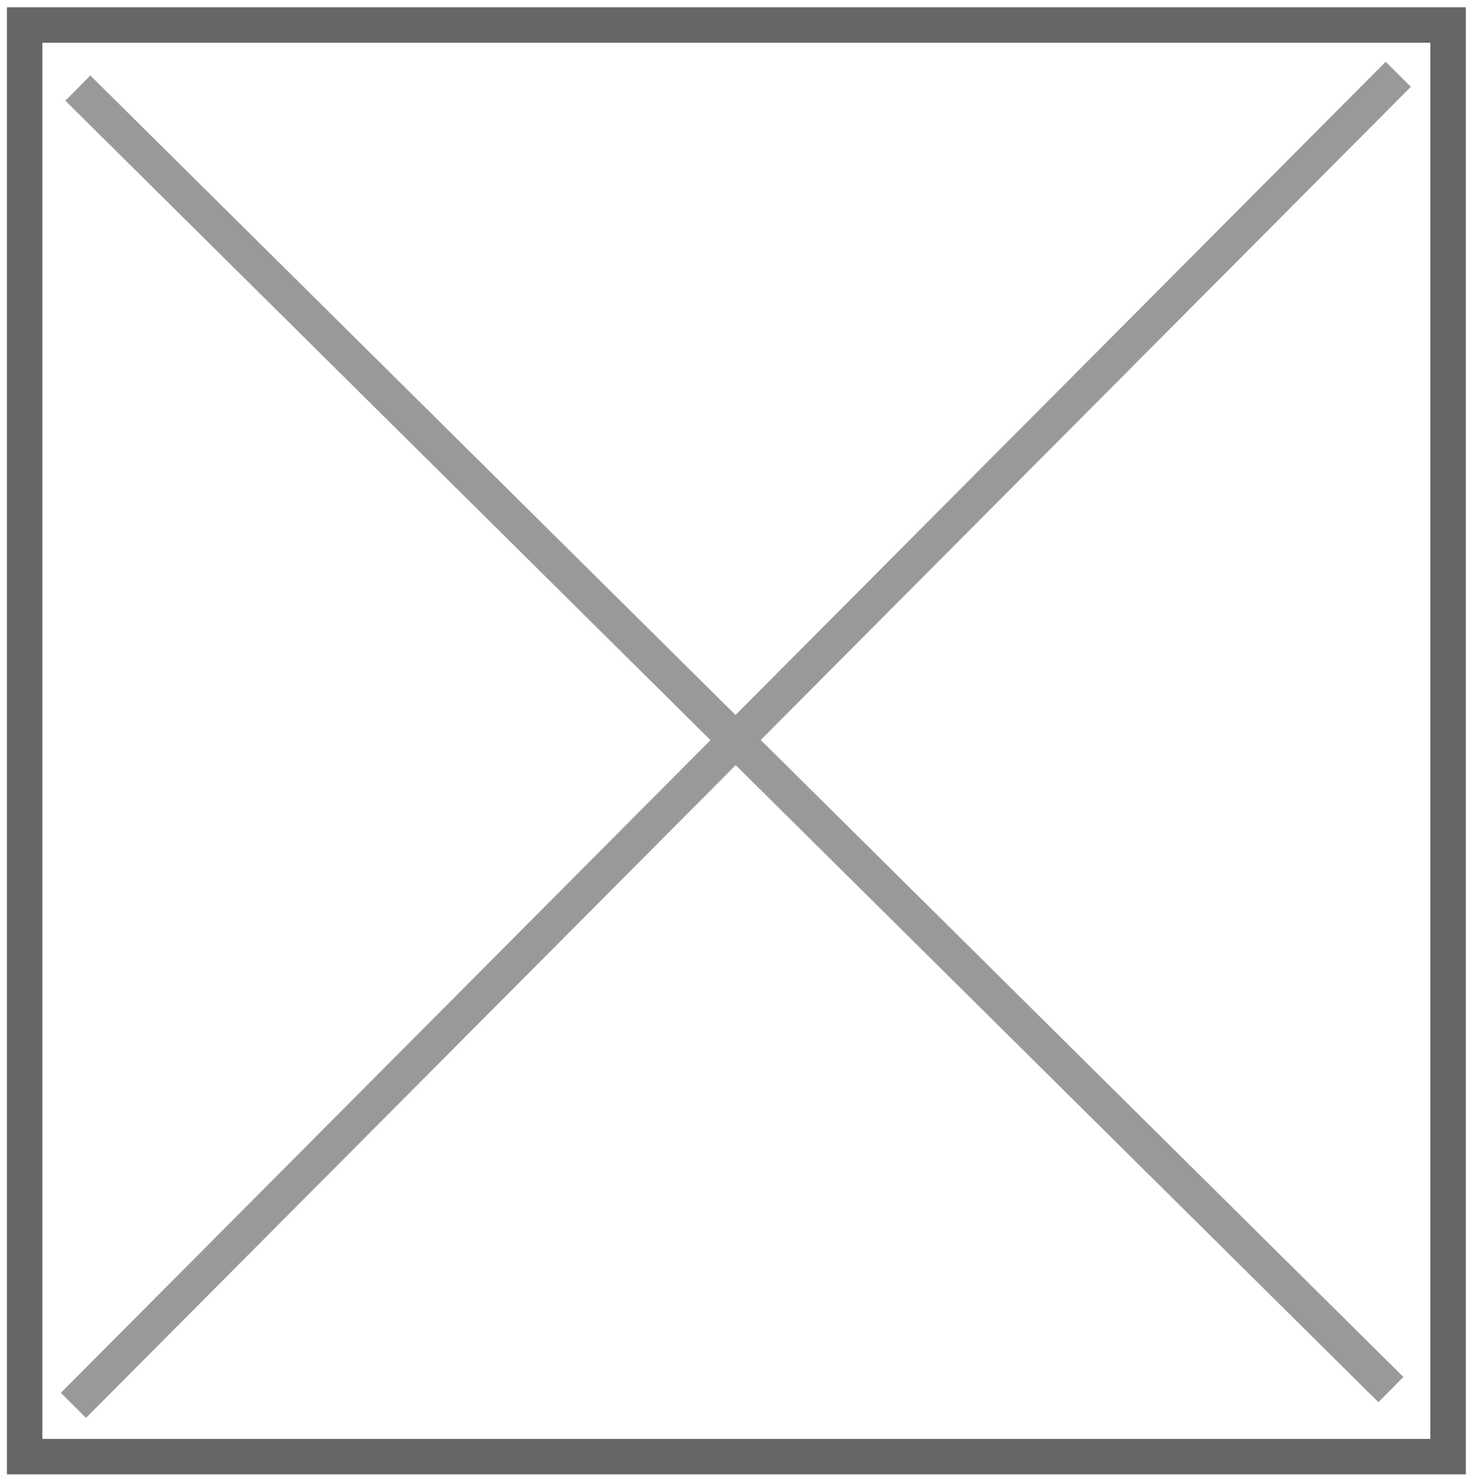

Short on projection, generous on storage. At just 37cm deep, this 70cm wall-mounted unit gives you more width without taking over the room, making it ideal for bathrooms where space still matters.

Two deep, soft-closing drawers provide plenty of practical storage, while the wall-mounted design keeps the overall look clean, open and contemporary.

Basin to be purchased separately
Compatible basin: HY070B, HY070B.0TH
