DESCRIPTION

Inspired by the understated tones of the trench coat, Matte Trench brings a distinctly London character to the HYDE Short Projection collection. Its warm, muted finish has been drawn from Hyde Park's autumn palette and reimagined for the contemporary bathroom.

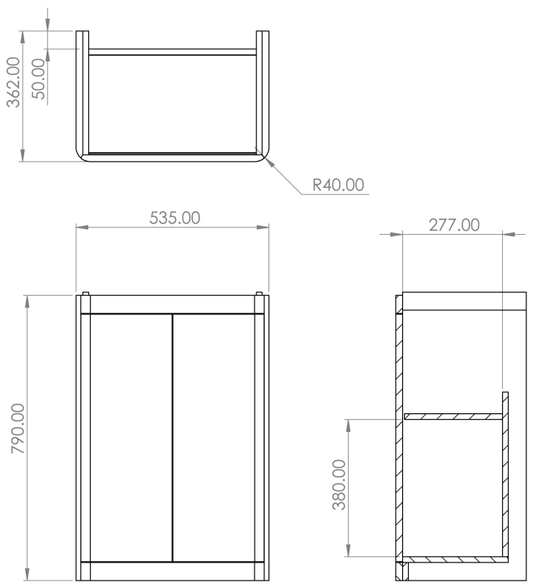

Short on projection, not on presence. At just 37cm deep, this 55cm two-door floor-standing unit is designed for bathrooms and cloakrooms where every centimetre matters, combining practical storage with a compact, architectural footprint.

An integrated shelf keeps everyday essentials neatly stored, while Matte Trench brings a warm, understated finish to the room.
