DESCRIPTION

The basis for the design of the CROMWELL collection was to emulate a strong, traditional style of brassware that has contemporary elements to fit in with modern day interiors. The accessories will be the perfect finishing touches needed to complete your bathroom look.

This toilet roll holder has one plate to securely fix it to the wall, so it can work in a variety of bathrooms. The holder itself snugly clips into the brackets so it is quick and easy to replace your toilet paper. Simply lift it up, remove and replace the roll, and clip it back into the brackets.
