DESCRIPTION

The INDIGO wall hung rimless pan has a stunning curved and contemporary design which matches the furniture perfectly.

The open rim design is not only a lovely modern feature, but it will make cleaning quick and easy. It also has a projection of 53cm, making it a great space saving choice for any type of bathroom.

Create a tidy bathroom space and opt for a wall mounted pan; you can hide the framed cistern by having it built into the wall or a WC unit as well as save on floor space.

*Seat sold separately

Compatible seat: INDTS01

For optimal performance, we recommend pairing wall mounted rimless pans with a high-level concealed cistern set at 6/3lt flushing.

See our FLUSHE 2.0 range for compatible WRAS approved concealed cisterns.
