## DESCRIPTION

MATTEO offers an unmistakable style with its square design that is fit for any modern bathroom.

This MATTEO wall hung pan has straight lines and subtle curves which adds a softer look to it, plus allows it to pair with other collections of ours like HYDE. It is also rimless which prevents the build up of grime and bacteria, and makes cleaning simple.

Create a tidy bathroom space and opt for a wall mounted pan; you can hide the framed cistern by having it built into the wall or a WC unit as well as save on floor space.

\*Seat sold separately

Compatible seat: MATS01

For optimal performance, we recommend pairing wall mounted rimless pans with a high-level concealed cistern set at 6/3lt flushing.

See our FLUSHE 2.0 range for compatible WRAS approved concealed cisterns.
