DESCRIPTION

The REGENCY collection was inspired by art deco design features as we wanted to create a range that could work with both modern and traditional products. We feel that this range does exactly that.

The beauty of undermount washbasins is the fact they can provide more countertop space as well as creating a seamless look to your vanity unit.

This 55x40cm undermount washbasin in gloss white works with our REGENCY floor standing vanity units and countertops to create a classic yet luxurious look.
