DESCRIPTION

The REGENCY collection was inspired by art deco design features as we wanted to create a range that could work with both modern and traditional products; we feel that this range does just that.

The REGENCY mirrors are double layered and with bevelled edges it reflects the design of the countertops and units, both literally and metaphorically. The 90cm sized REGENCY mirror will pair seamlessly with the REGENCY 90cm countertop & floor standing unit to create the ultimate art deco set up.
