DESCRIPTION

The REGENCY collection was inspired by art deco design features as we wanted to create a range that could work with both modern and traditional products; this range does exactly that.

The 130cm floor standing unit in matte white comes with 3 drawers that have stunning angular drawer fronts, clean white interiors and smooth high quality drawer runners that have a soft-close finish. When paired with the satin black granite countertop, REGENCY is brought to its full potential.

*Handles to be purchased separately
Compatible handles: HDL08, HDL08.MB
