## DESCRIPTION

Discovering traditional yet stylish ceramics and furniture can be tough, and this struggle is how the SOFIA collection came to life. We wanted to create traditional sanitaryware that is primarily traditional but has contemporary elements throughout.

The 60cm 2 door floor standing unit is a stunning vanity unit with the finer details of the clean shaker style doors really bringing it to life. It can provide plenty of storage space with the additional under basin trinket cupboard, and the dove grey finish is a lovely option to add a touch of shade and dimension to your bathroom.
