### DESCRIPTION

Discovering traditional yet stylish ceramics and furniture can be tough, and this struggle is how the SOFIA collection came to life. We wanted to create traditional sanitaryware that is primarily traditional but has contemporary elements throughout.

This SOFIA 60x45cm 1 tap hole washbasin has several traditional design elements with the small overflow holes and delicate raised lip at the back, but also has modern aspects with its deep bowl and smooth ceramic finish.

It can be paired with our SOFIA 60cm floor standing units, console units, chrome washstand, and full pedestal.
