---

### DESCRIPTION

UNI is our collection of modern, handle-less furniture and ceramics to allow you to create a contemporary bathroom set up.

The UNI close coupled pan has a sleek design with its rounded base and back to wall look to hide pipework. It also has rimless flush technology, meaning there is no obvious rim around the inside of the pan and instead has a clean look. This also prevents the build up of limescale and bacteria which will ensure your pan is hygienic and easy to clean, which is perfect for busy family bathrooms.

\*Cistern and seat sold separately

Compatible cistern: 66071

Compatible seats: 66101, 66102
