DESCRIPTION

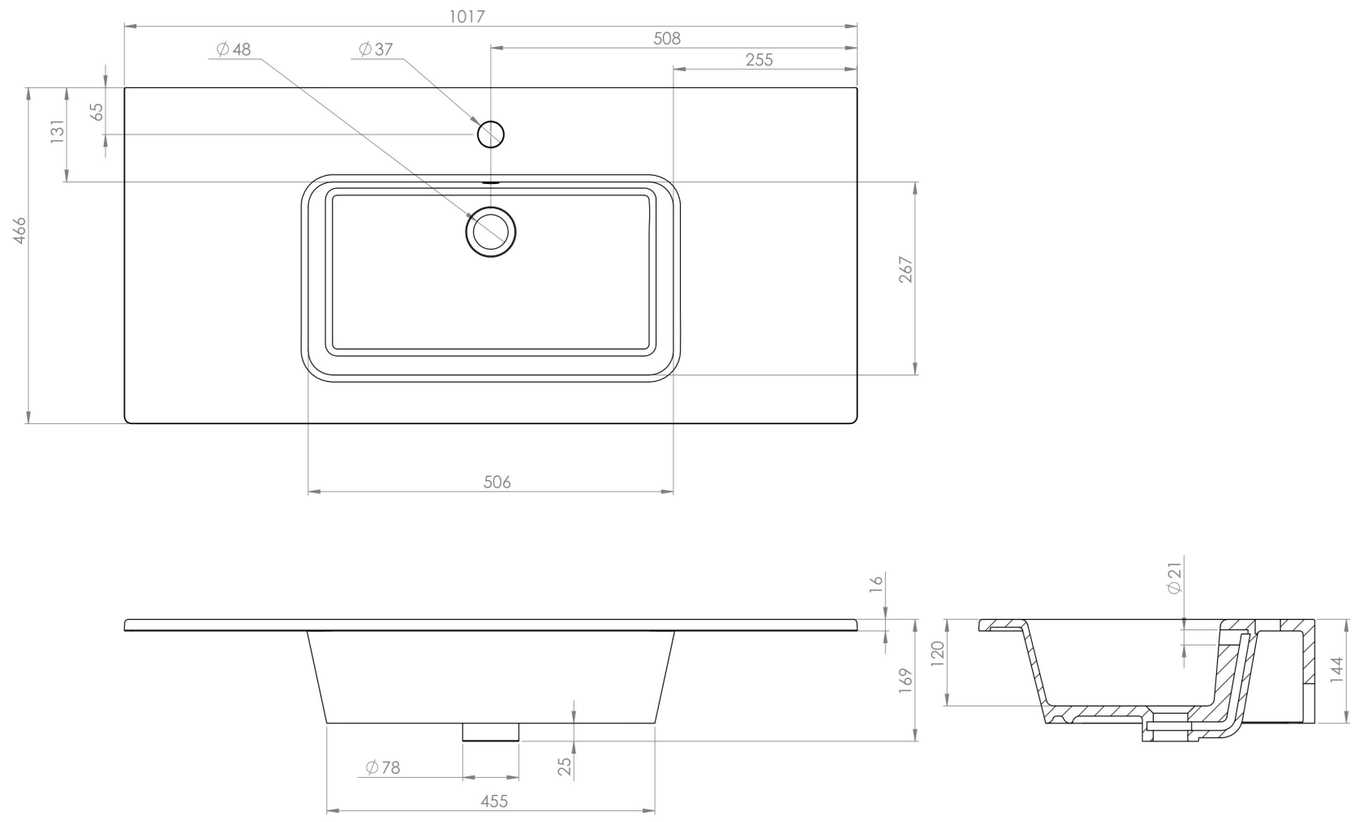

We've kept the UNI collection at a low profile - quite literally. It carries a vast range of slim profile basins with handle-less drawer units to help you to create a contemporary bathroom.

This UNI 100cm 1 tap hole washbasin is a great size for spacious bathrooms and its slim profile allows it to blend seamlessly when paired with a vanity unit from the same collection.

It can be wall-hung on it's own or paired with one of our UNI 100cm wall mounted units.

*With an overflow
