Product Type:	Deck Mounted Basin Mixer Tap, Single Lever Basin Mixer
Weight	1.12kg
Compatible Aerator(s)	Cache JR
Waste	Not included, purchase separately
Guarantee	5 years
Spout Projection (mm)	121mm
Material	Brass

DESCRIPTION

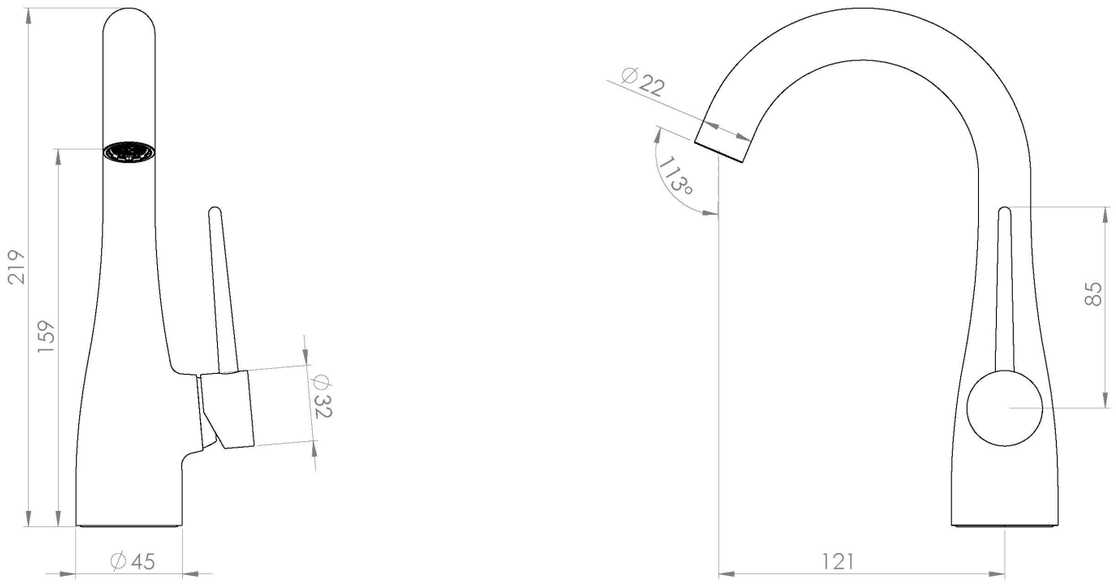

Beautifully curved and organic, the EDEN brassware is a truly unique brassware range.

The single lever basin mixer in brushed nickel has a tall and elegant swan-like neck and this is closely replicated through the lever handle to create an all-encompassing sleek and sophisticated look. It also has a swivel spout so that you can change the direction of where the water hits the basin.

The brushed nickel finish is PVD, meaning it is extremely hardwearing and easy to clean.

Waste to be purchased separately.

TECHNICAL DRAWING
