## DESCRIPTION

The delicate form of the SIENNA sanitaryware collection is evident through the thin ceramic used, creating a stunning selection of refined countertop and semi-recessed washbasins.

Semi-recessed basins work best with fitted furniture as they can cleverly incorporate storage options.

This 50x40cm 1 tap hole semi-recessed washbasin from our SIENNA collection will complement both sharp and curved unit designs thanks to its rectangular shape with slight rounded corners.

\*With an overflow
