DESCRIPTION

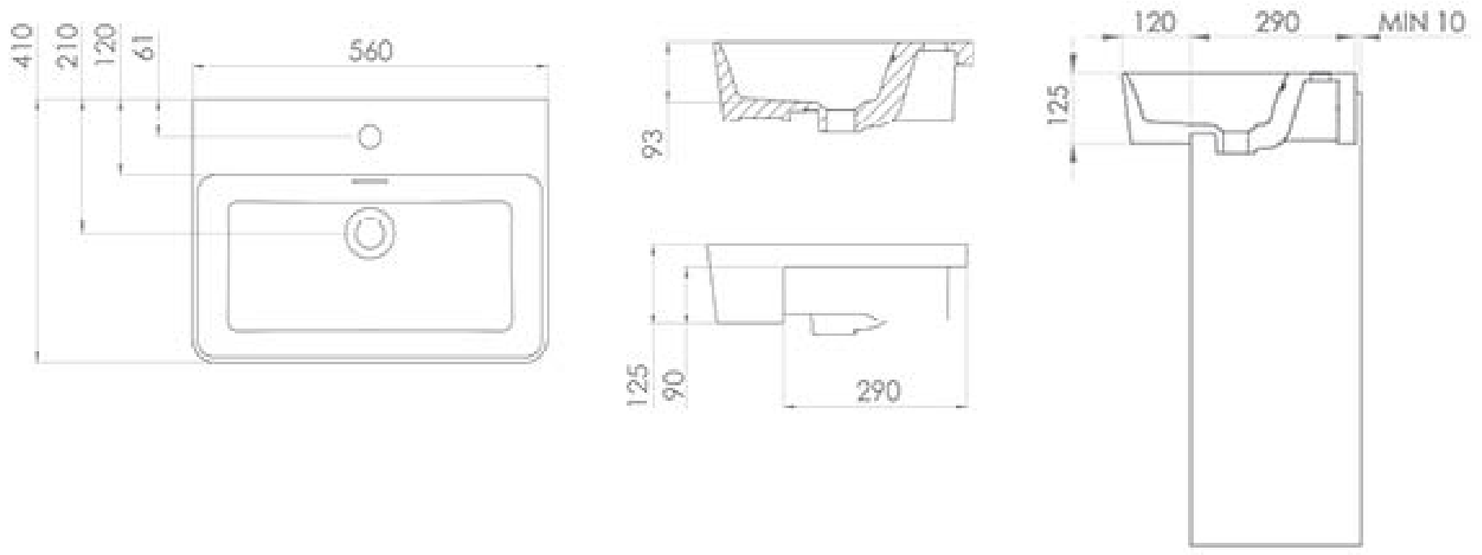

The delicate form of the SIENNA sanitaryware collection is evident through the thin ceramic used, creating a stunning selection of refined countertop and semi-recessed washbasins.

Semi-recessed basins work best with fitted furniture as they can cleverly incorporate storage options.

This 56x41cm 1 tap hole semi-recessed washbasin from our SIENNA collection has an elegant design that will complement both sharp and curved unit designs. It has a deep bowl to prevent splashing and will help to save on countertop space.
